Description of the new share buyback program pursuant to Article 241-1 to Article 241-7 of the AMF regulation

Implementation of the share buyback program authorized by the Annual General Meeting on May 28, 2026

Issuer: bioMérieux / code ISIN FR 0013280286 (compartiment A).

Relevant securities: ordinary shares.

Maximum stake proposed to the Annual Shareholders' Meeting of May 28, 2026: 10% of the number of shares making up the Company's share capital (at any time, as this percentage applies to a share capital adjusted according to the transactions affecting it); as of May 28, 2026, these 10% of capital represent 11,836,122 shares;

Maximum buyback percentage of shares purchased by the Company to be held and subsequently delivered as payment or in exchange as part of a merger, spin-off or contribution: 5% ;

Maximum unit purchase price: the unit purchase price must not exceed €250 per share (excluding acquisition costs);

Total cost of program: the maximum theoretical cost of implementing this program is € 2,856,149,000 (maximum theoretical amount not taking into account the shares owned by the Company). However, the Board of Directors could adjust the aforementioned purchase price in the event of a change in the share's par value, of an increase in capital through the capitalization of reserves and granting of free shares, of share splits or consolidation, of capital redemption or reduction, of the distribution of reserves or other assets, or of any other transactions affecting equity, in order to take into account the incidence of such transactions on the share value.

Objectives of the share buyback program:

- maintain a liquid secondary market for bioMérieux's shares through market-making transactions carried out by an independent investment firm under a liquidity agreement that complies with the decisions of the French Financial Markets Authority (AMF);
- ensure the hedging of stock option plans and/or free share plans (or equivalent plans) for the benefit of Group employees and/or corporate officers, as well as all share allocations or sales under a Company or Group savings plan (or a similar plan) for profit sharing and/or any other form of allocation of shares to Group employees and/or corporate officers;
- reduce the Company's share capital by cancelling shares subject to the limits laid down by law;
- retain the shares purchased and to swap them again at a later date for exchange, or as payment as part of any external expansion acquisitions;
- implement any market practices permitted or that may be permitted by the market authorities.

The acquisition, sale and transfer of the Company's shares may be carried out by any means, in part through the use of derivatives, whether on the stock market or over the counter, excluding the sale of put options save in the case of exchanges in accordance with applicable regulations. No restriction applies to the portion of buybacks carried out through block trades, which may account for the entire program.

Term of the program: in compliance with the provisions Article L. 22-10-62 of the French Commercial Code (Code de Commerce) and the draft motion to be put to the Annual General Meeting on May 28, 2026, this buy-back program may be implemented over an eighteen-month period from the Annual General Meeting until November 27, 2027.

Breakdown per objective of shares held by the Company as of May 21, 2026

At May 21, 2026, morning, the Company's share capital is made up of 118,361,220 shares. At this date, the Company held 762,211 shares :

- of which 80,670 shares under the liquidity agreement with ODDO BHF, which is compliant with market practice as approved by the AMF. The shares purchased by ODDO BHF were acquired exclusively to maintain a liquid market in the Company's shares through market-making transactions carried out by an independent investment service provider under a liquidity agreement that complies with the AMAFI Code of Ethics approved by the AMF.

- of which 681,541 shares under an agency agreement entered into with the Natixis with the sole objectives of delivering shares upon the exercise of rights in connection with free share grants to employees of the Company or companies within the Group, as well as under the MyShare employees shareholding plan.

The purchase, sale and transfer of the aforementioned securities was carried out to meet two of the program's objectives approved by the Annual Shareholders' Meetings of May 20, 2021, May 23, 2022, May 23, 2023, May 23, 2024 and May 15, 2025 i.e. maintaining a liquid market in the Company's shares through market-making transactions carried out by an independent investment service provider under a liquidity agreement that complies with the AMAFI Code of Ethics, approved by the AMF and delivering shares upon the exercise of rights in connection with free share grants to employees of the Company or companies within the Group, as well as under the MyShare employees shareholding plan.

The Company has not used derivatives as part of this share buyback program and there have been no open positions to buy or sell derivatives at the date this buyback program description was published.
